Megan told me she needed another week to get her part of the rent. I told her that was not good enough this time and something had to be done about it. I used to work at a sports bar. You know, the type where I had to wear a skimpy outfit and flirt with the patrons. But I soon quit the job after discovering that my real calling was in adult videos. There's more to me than serving drinks. Oh, did I mention that I love to fuck my own ass? Yes, I surely do!

Young & Hung

The story of a dedicated pussy-teaser: "If you've got it, flaunt it—and make them beg for it!"

How many dudes do you know who don't mind being branded a bastard, son-of-a-bitch or a dick? Well, I've been called all those things and worse, especially by women. And, baby, I'm here to tell you that I eat it up!

As far as the gorgeous chicks I've banged are concerned, I'm a big dick—in every sense of the word. They hate me for making them crawl right up their bedroom walls with frustrated fuck fantasies and they despise me for my expert cunt-tickling techniques. But, man, they'd also give everything they own for just one chance to wrap their hot, wet pussy-lips around my cock.

Frankly, I admit my biggest thrill comes from making women wickedly horny. I flirt with them, tease them and drive them to the brink of insanity with lust they can't release. My ego just soars at the idea of some beautiful piece of pussy furiously frigging herself over the sight of me or pretending that I'm penetrating her when she brings herself to orgasm on a monster sized vibrator. And I know for sure there are plenty of guys around who've been unpleasantly surprised to hear their wives and girlfriends, suddenly crying out my name in the middle of an orgasm.

What's the secret of my success at turning women on and making their pussies drip with passion that they'd tear each other apart to get their hungry hands on me? Man, it's as simple as A-B-C—ass, balls and cock.

I've got the stuff they dream about—a tight ass that makes them drool about sinking their teeth into; a low-hanging sack laden with two egg-sized balls bouncing around inside it and an XXL dick. Well, let me tell you about my dick.

Even totally limp, shriveled up after a shower or swim, the fucker is nearly five inches long. Do you know what kind of a bulge that makes when it's curled up on top of my fat balls in a tight Speed bathing suit? Just ask the horny chicks at the beaches I go to. As soon they spot me they head for the water, so they can masturbate themselves without being seen.

But that's really nothing compared with my king-sized erection. Girls, you'd better sit down when you read this. Take out a ruler or tape measure and look at it carefully. When my penis stiffens out to its full length—I'm talking about an honest-to-goodness hard-on, not just the semi-stiff flag-waver some guys call a hard-on—it's more than nine inches long! Baby, look at that ruler again and imagine taking a thick flesh-pipe that big into your pussy, down your throat, or up your ass.

Am I exaggerating my size? Hell, just ask Jolene, Kelli, Charlene or Maryanne. They're a few of the girls I've given the privilege of measuring my fuck-stick. Even though they could barely keep it together from the excitement, they came to the same conclusion: nine inches long and nearly six inches around!

Besides its size, there are a couple of other things about my cock that really excite women. First, I'm not circumcised and my thick, silky foreskin drives them out of their minds. And second, my hard-on sticks straight out instead of up in the air at an angle, which makes that super-sized cock look even bigger, like a baseball bat.

Now, don't get me wrong. I don't take any personal credit for being well-hung. It's an inborn quality like, maybe, being tall or having a big brain. But I do feel proud of what I've accomplished with my talents. I mean, some dudes get embarrassed by having a large cock. They try to cover them up in the locker room or at the pool because they don't want everybody staring at them. But not

me! I want women ogling my dick, panting and gasping with their tongues hanging out.

I wasn't always this way, though. As a teenager I was unbelievably shy. I would have died at the idea of strutting my package in front of women the way I do now, showing them big hunks of exposed man-meant and shoving my bulges in their faces. Back then I could barely even talk to a girl, much less taunt her with my penis.

The trouble was that women took advantage of my shyness. I mean, it was really a form of sexual discrimination. What about a broad who's a tease. Is it perfectly okay for her to prance around tickling cock, sticking her big curves out like a slut to get a reactions but then turning into an ice cube if a guy tries to take her up on it?

Around the age of 17 I was the "victim" of these cock-teasing girls who thought I was real "cute" for being so shy. They noticed the large helping of manhood I carried between my legs and got their kicks by playing with me like a toy, trying to get a big rise out of me.

Man, imagine a ball-busting piece of ass—25 or 30—sitting across from me on a bus and letting me look up her skirt, with a glistening pussy staring back at me. Cunts like that would watch as the snake in my pants begin to unfurl and grow and lick their lips, exposing more cunt until I'd blow a wad in my shorts. But the slightest move I'd make, like asking her name or pinching her ass on the way out of the bus, would make her act outraged by slapping my face or threatening to call the cops. It was strictly "Look but don't touch, buddy!"

It kept on happening to me. I couldn't stand hanging around the house when my mom friends would come over for coffee. All those married chicks and horny little housewives, would keep winking at me, tantalizing me. They'd flash a nipple from an open blouse, let their skirts ride up to their cunts under the table, or sit on the couch with their legs crossed so high I could see naked ass through their pantyhose. They never took their eyes off my bulging fly, but if I even hinted that I wanted to finish what they'd started, they'd complain to my mom that I was acting "fresh" and my ass would be in a sling.

My worst experience as a younger guy came at the hands of a teasing teacher I'll call Mrs. Todd, a flirtatious 25-year-old bitch who got her kicks by trying to make the boys in her classes blow their loads. Lewd drawings of her eating six-foot dicks and swallowing guys' heads up her asshole decorated the bathroom stalls, where we whacked off thinking about nailing her.

Mrs. Todd taught class dressed in outfits that should have gotten her arrested. She'd swish her gorgeous butt like a whore up and down the aisles on high heels, and then she'd sit down and expose her thighs, which were encased in shiny, pantyhose.

Even during exams there was no way you could pay attention to anything else. Her skin-tight clothing outlined every curve of her breasts and every bulging detail of her panties, which lifted her butt cheeks into firm mounds like a pair of inflated balloons. Now and then she'd adjust her panties with sexy snapping sounds that set our juices flowing.

Each afternoon she'd keep one or two guys—never girls—as "punishment" for some bullshit offense. It was an excuse for what we called "the treatment," an advanced course in cock-tickling. While the guys did assignments, Mrs. Todd would put on jaw-dropping performances by doing "work" around the classroom, like deep-knee bends, stretching, climbing step-ladders and brushing up against the students. No guy escaped her class without the feel of a soft tit pressed against his shoulder or enjoying a nice view of her ass.

It was one of her "treatments" that landed me in trouble once. At the end of a punishment session she looked at me and said, "I left my shoes in the back of the room. Would you be a gentlemen and get them for me?"

When I returned with her heels, the other guys had already left and she was sitting on her desk correcting papers. "Would you help me with them?" she asked, thrusting on of her feet out towards me, with her toes stiff in a sexy point. My fingers trembled as I held her warm foot and slid her shoe over its curves. I felt an immense hard-on rising up in my pants.

Mrs. Todd glanced at my crotch, and then continued correcting papers while she raised her other foot so high it was almost touching my face. It was a sight to behold. The way she was holding her leg gave me an unobstruct-

ed view up her dress, and the sheer panties she was wearing did nothing to hide her bush or the slit of her welcoming cunt.

My erection was getting unbearably hard. In a fit of adolescent lust I dropped the shoe, grabbed her foot and started kissing it passionately, rubbing my face on the sexy flesh and moaning, "I want to fuck you!" Without warning she leveled a slap to my face and shrieked, "You snotty little bastard. I'm going to report you to the principal and you could get expelled!"

That was the last straw, the one that broke my hump. During a week's suspension from school I resolved that I'd never again get suckered in by a flirtatious, cock-teasing chick. I promised myself that I would become the tease; I'd drive them up the wall with frustration. And someday, I swore, I'd have Mrs. Todd on her knees, begging to get fucked.

I soon realized I had a powerful set of weapons, namely my well-shaped ass and generous tool. So I decided to pull the same shit on those chicks they'd been pulling on me. I went out and bought the tightest jeans, t shirts and skimpy bathing suits to enhance the features I would soon unleash on the world.

Soon I started working on the tough, arrogant, eat-your-heart-out attitude that being a cunt tease required. I practiced in front of a mirror, strutting and posing, letting my balls pop out of my shorts, showing of my ass, psyching myself up by saying, "you're young and you're hung, and the chicks will be crying for your cock!" I toned up my muscles with weights, got a nice tan at the tanning salon, changed my hairstyle, and rehearsed the part of an arrogant, ballsy bastard whose life revolves around his own fantastic dick.

Did it work? Shit, man, I've read all those fucking stories about what's supposed to turn women on—you know, tall, blue eyes, muscles, the whole nine yards. Well, it's all bullshit. The bottom-line recipe for making a chick's pussy beg for your dick is the same: take a tight ass and two big balls; mix them up with the longest, thickest cock you can find, and you've got enough to satisfy any chick.

My first big "try-out" came with that group of women who regular came to my mom for coffee. While they chatted, I sauntered through the room a few times in skin-tight jeans and got long, excited looks from those horny little housewives. Before too long they started flashing areas of their bodies at me, but this time I totally ignored them. The pressure of the tight pants had my rod fully erect, so I concentrated on listening to the silent gasps as they ogled my bulging cock.

A cute redhead was the first to take the bait. She was the same busty piece of ass who'd exposed her asshole to me a few times, and the same one who'd complained to my mom that I was getting "fresh" because I'd once patted her butt cheeks. Now it was my butt she was after.

I paid no attention as she kept flirting, winking and flashing at me. When the get-together was over and the other women had left, she cornered me. "You know, I've never seen your room," she said. "Maybe you could show it to me," and with that I took her downstairs, still acting as disinterested as possible. When we got to my room she closed the door and threw her arms around me, reaching to grab big handfuls of my ass and telling me her husband was getting too old to satisfy her.

I stayed cool as she kept pawing me, grinding her pussy against my swollen jeans and feeling my ass. "If you show me your bare butt, I'll show you mine," she whispered in a little-girl voice. I pretended to think the offer over, then mumbled, "You first."

Turning her ass to me, she shimmied out of her tight jeans and presented me with her panty-clad ass cheeks. I was actually going wild with excitement as I fondled the sexy curves and fingered her deep ass-crack, but I'd be damned if I'd show it. Slowly rolling down her panties, I calmly ordered her to bend over.

"Oh, God, no!" she cried, as she watched me pull out my immense cock, stiff as a steel beam. "It's so big!" she gasped, as I spit out some saliva and slicked it up. Without saying a word, I shoved my cock straight up her ass. She almost passed out, biting her arm to keep from screaming, pounding her fists into the bed. "It hurts! But it feels so good!" she groaned. It was sweet revenge; the same teasing asshole she'd flashed at me was now filled with more than half my dick, which soon exploded and pumped a river of hot cum into her hole. When I was finally drained, I pulled out and gave her my end of the bargain: a beefy ass to eat.

She soon forgot the pain from being fucked up her

ass. In a wild frenzy of ass-worship she was licking and biting my buns, squeezing her face between the cheeks and kissing my shit-hole. As she started to push her tongue into my asshole, I heard telltale footsteps and knew my get-even plan was complete. My mother came downstairs and walked in to discover her little red-headed friend with her pointed tongue stuck deep inside my young asshole. Well, that woman never came for coffee at our house again. In fact, not long afterward she moved out of town.

The more I practiced being a cunt-tease, the better I got. Now I could ride the bus showing off my ass and dick, paying no attention to my admirers' hungry pussy flashes. When they'd reach down and rub my cock or pinch my ass, I was the one who threatened to call the cops.

By the time our senior class beach trip rolled around, I was an expert cunt-teaser, giving women fits of horny quivers wherever I went. That was the day I planned to finally get vengeance on cock-teasing Mrs. Todd.

We arrived at the beach well matched. Her skimpy bathing suit had all the guys about to jerk off. My white Speedo was the center of female attention as girls started to crowd around and bump against me, touching my suit and making lewd jokes. I knew no girl could resist my big dick that stretched my bathing suit, or the inch of ass-crack that showed—not even Mrs. Todd.

As I strolled past her, she couldn't take her eyes off my bulge. Calling me over to her blanket, she cooed, "I just want you to know there are no hard feelings about that incident a few months ago. Can we put it behind us?"

"I guess," I said, pretending to be the only guy there who wasn't going cock-wild over her bathing suit. "I'd like to make it up to you," she said softly. "I've got cold beer in the car, but I wouldn't want anybody else to see it."

"I'll meet you there," I said, heading back up the beach to take care of some business. When I arrived at her isolated car, Mrs. Todd was already panting. "I'm so sorry for what I did," she whimpered, wrapping her arm around my waist and puckering her lips. I stayed calm, but my swimsuit was almost bursting from my throbbing erection. Kissing me, she took my hand and put it on one of her large pointed breasts. I grabbed both tits and squeezed them, twisting and kneading while her fingers inched down toward my crotch.

As she cupped her hand around the swollen material of my suit, she let out a squeal. "Oh, it's so big!" she cried. "It's so fucking big!" As she pulled out the waistband to reach inside, my cockhead popped out like a jack-in-the-box. "Oh, shit! Oh, shit!" she howled, "I've never seen anything that big!"

"Want to put it in your mouth?" I asked, with all the nonchalance I had left. A second later we were rocking in her backseat, stripping off our suits. I got to fulfill the hottest dreams of my classmates, sucking those gigantic boobs so hard I thought milk would come out of them. I was even fist-fucking her asshole and shoving my whole face into her soaking wet pussy. I kissed her cunt lips and she came on the tip of my tongue. But I wouldn't let her mouth on my dick. "Not yet," I kept saying.

Finally, I was ready for the big move and not a moment too soon. I lay down on my back, pointing my dick straight at the ceiling. I told her to straddle me with her beautiful ass cheeks wrapped around my face, where I could kiss her sweet ass.

"Let me suck it now," she moaned. Both her fists were around the shaft of my cock while her panting lips hung over it "Please!" I checked my watch.

"All right, baby," I said, "Blow me now! Suck me off!" With frenzied grunts she spread her mouth wide and lowered it onto my hard-on, sliding her lips down the long, stiff pipe, wrapping her tongue around its moist head. I knew I couldn't hold out long, not the way she was sucking and swallowing my cock. Five inches were in her mouth already and she was looking for more.

Exactly a half hour had passed since she'd left the beach. It was time to make her swallow my sperm. It was also the time I'd told the principal to meet us there.

I squeezed her head between my legs while she tightened her lips around my penis and suddenly a volcano erupted, shooting boiling fuckcream into her mouth and down her throat As she lovingly drank it all, droplets of jism dripping from her chin, I saw a familiar face appear at the car door.

"Mrs. Todd!" shouted the outraged principal. I started to laugh. No one was going to get the better of me anymore…

So you guys want to see me get fucked in the ass? I know you do. I'm going to get me a nice cock and stick it in my pussy. Then, I'll let him shove it up my ass. Since it's tight and his cock is big, I think it may hurt for a minute, but after that's done, I know I'm going to love it. But how will you know? By looking at my face, and then back at my ass, and then back at my face. And how's this all going to end, you may ask? On my face, of course!

Life was going on just as it always was with my man splitting his time between me and his work. Lately, we started getting together more often than usual. It was like we couldn't get enough of each other. But I needed more, so I found other cocks. They just were not right for me. That made me realize that my man's cock was the one designed for just my pussy.

Dollface

If you ever find yourself lonely, horny or both, a sex doll can be the ticket

If you're as lonely as I am, birthdays can be among the most depressing times in one's existence. You sit back wondering what you have accomplished to date. The craziest thoughts flood your mind: Why haven't I gotten laid more often? Why aren't I married yet? So many other weird ideas can bombard the mind that the best thing may be to forget birthdays exist.

I felt that way as I turned 29, only a year away from the big 3-0. I had recently lost my girlfriend after she decided she wanted to end our relationship to go back and live with her former boyfriend, whom she ditched two years ago to come live with me. That meant I didn't even have my girlfriend to celebrate my birthday with.

The phone didn't stop ringing as my family and friends kept calling to wish me a happy birthday. It was great and all, but why the hell did they have to remind me? After about the tenth call I decided I couldn't take any more of this birthday BS. Since I had nothing special planned for the evening, I got my coat and walked out. I decided the best thing for me to do was to take a long walk and try to forget all the problems of the day.

I didn't realize I had been walking so long when I found myself downtown, only a few steps away from one of our sex boutiques. I figured I might as well head inside and see what was new in the world of sex and perversion; I thought it might cheer me up.

I looked through a few of the items they had on display. Soon I was glad I had stopped there, because my visit to this sex emporium was keeping my mind off my birthday blues. After almost 10 minutes I thought it was best to stop buy something before the shop owner asked me to leave. I turned around and suddenly found myself staring straight at a display of life-size inflatable dolls.

At first I kind of laughed. I couldn't help remembering my mother had told me years ago that boys should never play with dolls. I don't think she ever specified what type of dolls I should not play with, though I am sure she certainly would not have approved of these specimens. As I headed for the door, I stopped dead in my tracks. Staring again at those dolls was having a strange effect on my dick. It began to get harder by the second as I watched the latex ladies dressed in the sexiest of get-ups—high heels, panties, stockings and black lace bras.

The hands of the dolls were positioned almost as though they were beckoning to me to hold them close. A big sign asked, "Want to be with a living doll tonight? Try one of our deluxe models, complete with automated parts: a sweet sucking mouth;

a pussy that will milk you dry, and an asshole tight enough to grip your shaft. Only $99 or any two for $170; clothing included!"

Forget it. I kept telling myself, although there was something about the dolls that kept me glued to the spot. It was if they were sending out a message telepathically for me to take one of them home. What the hell, I thought. I had been depressed most of the day, and this was the first time I had felt excited about life in the past few hours. It was my birthday and I decided I might as well spend it with a living doll.

I'm not rich, but my credit card took care of the purchase. On impulse I said to the salesperson, "I'll take two of the dolls, the blonde and the brunette." I waited anxiously until I had the dolls in my arms. Then I rushed home as fast as I could. I locked the front door, shut the curtains, silenced my phone and tore open the package quickly, not wanting to waste even a second.

I took the air pump from the basement and filled both dolls with life. Then I loaded the batteries according to the instructions. Within seconds their bodies felt solid; they looked so real that anyone could have mistaken them for flesh-and-blood women. The blonde looked like an innocent virgin, with a soft face and long, flowing hair. I couldn't wait until I nailed that hot virgin cunt. I dressed both the dolls in their sexy lingerie, and soon had them looking like true vision of eroticism.

The brunette looked like a typical, ball-busting bitch—the sort of chick who cock teases a dude and then leaves him high and dry. She was a dead ringer for a tough dominatrix. Before the evening would end, I planned to show her just who the dominant one was going to be. With both dolls in front of me and ready for action, I started planning the night for me and my new "girlfriends."

"Okay, who gets it first?" I mused aloud. "Eeeny, meeny, miny, mo," I chanted, finally choosing Blondie. Since she looked like a virgin, I promised to give her a lesson in lovemaking I would never forget. Leaving the brunette in the living room, I carried Blondie into the bedroom. When I was beside the bed, for a brief moment I thought this whole thing was absurd. "Here I am, talking to dolls," I said aloud. Then I remembered why I had picked up these dolls in the first place: because a real woman had ditched me. Well, at least these dolls wouldn't get up and walk out on me...

After I had given myself that little pep talk, I knew it was time to get down to some serious business. I laid Blondie on the bed, and then undressed myself in seconds. "Okay, love. Get ready for the thrill of a lifetime. I'm going to bust your nut like it's never busted before!" I promised.

My cock stood at attention as I spread Blondie's legs wide apart. Her vagina looked so inviting; the tufts of artificial hair felt almost as natural as the real thing. I never realized pussy hair could be duplicated with such authenticity. Locating the switch on her side, I turned it on and activated her pulsating pussy. A low hum filled the room.

This was the moment I had been waiting for. I plunged my cock into her and was greeted by a most pleasurable sensation. I honestly could not believe how lifelike this game had become. If I hadn't known Blondie was a hunk of rubber and had fucked her with my eyes closed, I would have thought she was the real thing. My cock was being gripped hard, as though a giant suction was trying to engulf me and keep me lodged inside forever. For all I cared, I would have been glad to stay inside Blondie's depths until all eternity, because fucking her was truly heavenly.

I kissed Blondie hard on the lips, and even they didn't have an artificial feel to them. From all the

excitement, it didn't take long for me to sense my cock was about to erupt. I tried to hold back as long as possible to prolong the ecstasy, but I began to shoot my load seconds later, my sticky cum coating her insides. I aimed to keep flowing forever until finally I was drained dry.

I lay beside Blondie, totally exhausted and looked at her face. I could have sworn she was smiling at me. Now that she had been "broken in," it was time to conquer that ball-busting brunette, whom I named "Bruna." I carried her to the bed and placed Blondie in a chair.

I decided to first try out Bruna's "agitating asshole." I laid her on the bed, turned on the switch, and then pushed my cock into her delicate butthole. For a moment I was afraid I had rammed her so hard she might deflate, but then I realized that these latex ladies were built for wear and tear.

"Come on, honey. Milk me dry!" I yelled. Bruna's agitating asshole was as pleasing as Blondie's pulsating pussy. I reached around and grabbed her tits, which were held in place by a bra. All too soon I came, as my floodgates opened and my semen poured forth inside her.

After that draining session I was exhausted again. I have to admit I've had my share of women and I've enjoyed every sex-filled second with them, but the sensations I experienced with these two dolls paralleled the real thing.

I looked over at the clock and noticed the night was still young. And I was still in a party mood. What would be the next scene? I wondered. I was still as horny as ever. From the way my cock stood out I figured I might as well not allow my hard-on to go to waste. Suddenly, an idea crossed my mind: I'd have a double blowjob next.

I laid both dolls side by side on the bed and turned on their battery-powered mouths. I stuck my cock in Blondie's mouth first, letting her have a taste of my manhood. This babe wasted little time; she knew just what to do. She engulfed my cock shaft until I pulled out and let Bruna take over. Her mouth action was different from Blondie's. She seemed to get wilder as she progressed. I pulled out and let Blondie take over again. How else can I describe this double blowjob except to say it was one of the best I ever had?

I kept alternating between Blondie and Bruna until I let loose with a torrent of cum that splashed all over Blondie's face and dripped down her chin. Then I gave Bruna a taste of my cream, rubbing my dick all over her lips. To me, it was the ultimate thrill, watching my semen splatter on both dolls. I was sure I had reached my limit for the night, until I remembered one last feature the dolls had to offer. They had vibrating hands too. Why not put the topper on one of the most pleasurable birthdays I could recall?

I lay back on the bed; I had the dolls' hands gripped firmly on my dick. I turned on the power and let them massage my manhood. The gentle motions up and down my shaft made me shudder in anticipation of my orgasm. I soon came, my juice spurting into the air and landing on my legs and stomach. It was the grand finale.

And to think that earlier in the day I had bemoaned my existence and the thought of birthdays in general. How was I to know I would soon find a reason to celebrate—or should I say two reasons? This was better than blowing out candles, because the dolls did the blowing for me.

Next time you are down in the dumps, fellas, try out a real doll. They never say no and will do anything you ask.

I am now about to spring for a third doll, a black-haired one. I just may assemble my own harem!

BLAIR-NTS-12

We looked hard through Frisky's photos and could not find a single one where she was not smiling. Not just a grin, but a huge teeth-baring smile that made us all want to feel a little frisky, too. It's nice to see someone enjoy herself so much with little or no inhibition about sharing herself with us.
